

# ABUNDANT RAIN EMPOWERMENT CHURCH

Series: **IMPACT— Overcoming the Odds**

In order to make an impact we must overcome many odds. In 2014, God has placed a mandate on every believer to move outside the four walls of the Church in order to impact communities with love.

Here are a few points which will allow us to overcome the odds and make the greatest impact in 2014.

**1. We must shift.** (2 Corinthians 5:17)

The very heart and nature of the Christian faith revolves around change - which is living out a new life. In order to see real changes, we must go through the process of transformation.

**2. We must have synergy.** (Ephesians 4:16)

In order for goals to be accomplished quickly, teamwork is required. Through team work and cooperation, blessings, prosperity and abundance will be released quickly for material needs. Team work makes the DREAM work!

**3. We must have security and stability.** (1 Corinthians 15:58; Psalms 1:1-3)

In spite of the odds against us, we must still keep ourselves rooted and grounded in Christ.

**January 5, 2014 - Pastor Dwayne Fraser**

# Overcoming the Odds

In Psalms 1, we read that our stability is to be planted by the rivers of water. Water is a symbol of God's word and every child of God has been planted by that water.

**4. We must spiritually grow.** (2 Peter 3:18; John 15:4-5)

God will remove all spiritual blockages to your growth. You will experience greater intimacy with God.

## Reflections

- Am I willing to be transformed by a renewed mind?
- Am I willing to work with others to get the job done?
- Am I rooted and grounded in the things of God?
- Am I growing in my spiritual life?
